

### California Crusin' into Used Car Week 2022

Allied Solutions rolled into Used Car Week 2022 packing not only a keynote worthy of going the extra mile, but we also joined the Auto Remarketing Podcast to dig deeper into the complex world of product refunds.

**Listen Now**

The continuing evolution of rising interest rates, higher vehicle prices, longer loan terms, and increasing regulation demands a rigorous risk management strategy. Allied can help your institution minimize losses and protect assets while maintaining a positive borrower relationship.
